

Reach Workcamps Tool Needs

Below is a list of tools each workcamper needs to bring. Bring as many tools as possible from the appropriate experience level. It is better to have a tool and not use it than to need a tool and not have it. Each workcamper will use their own tools at their worksite.

Level 1 - No Experience

If you rated yourself "No Experience" in all skill areas, bring the following tools:

PLEASE BRING

Small paint brush
Large paint brush
Drop cloths (2)
Paint bucket
Paint scraper
Hammer
Safety goggles
Face masks

Rags
Paint roller and tray
Paint can ladder hook
Painter's Tape
Trash Bags (2)
Work gloves

OPTIONAL TOOLS

Phillips screwdriver
Putty knife
Razor blade scraper
Tape measure
Wire brush

Level 2 - Limited Experience

If you rated yourself "Limited Experience" in any skill areas except painting, bring the following tools:

PLEASE BRING

All the items from level 1
Saw (hand or power)
Plain and Phillips screwdriver
Square
Tape measure
Utility knife

OPTIONAL TOOLS

Any items from level 1
Chalk line
chisel
Drywall knife
Tin snips
Electric drill

Caulking gun
Pliers
Level
Roofing knife
Extension cord
Nail bar

Level 3 and 4 - Proficient or Expert Experience

If you rate yourself "Proficient or Expert Experience" in any skill areas except painting bring the following tools:

PLEASE BRING

All the items from levels 1 and 2
Chalk line
Electric drill and bits
Extension cords
Level
Pliers
Power saw
Tin snips

OPTIONAL TOOLS

Any items from levels 1 and 2
Cement trowel
Chisel
Hack and Jig saws
Pipe wrench
Plane
Screwdriver bits for drill
Staple gun
Wood rasp

Additional Tools

In addition to the tools each individual brings, your youth group needs to bring the following tools. You will check these tools in at the workcamp. Reach will hand out these tools as needed.

Step ladders
Extension ladders
Post hole diggers
Roof Shovels
Shop vac

Roof mops
Shovels (flat and round)
Potato forks (flat 4 prong pitch fork)
Wheelbarrows
