

PETERSTOWN, WEST VIRGINIA PRE-/ POST-WORKCAMP ACTIVITIES

This is a list of activities that your youth group may be interested in doing either before the workcamp or after the workcamp.

1. New River Whitewater Rafting

The New River is considered the world's second oldest river. The New meanders north through North Carolina, Virginia, and finally to **West Virginia**, and offers a wide variety of **rafting** experiences from a gentle summer float trip to a heart-pounding Class V adventure. Gentle waves and quite pools provide a leisurely day on the water.

2. Camden Park Amusement Park

Our roots began in the bygone era of the streetcar. By the late 19th century almost every large town in America had streetcars and many had Parks to boost weekend and holiday traffic. Originally developed as a picnic area by the Camden Interstate Railway in 1903 Camden Park has survived into the 21st century as a thriving traditional amusement park.

Over the years Camden has been the setting for baseball games, tens of thousands of picnics, fairs, marathon dances, roller derbies, flagpole sitting, a swimming pool, a zoo, plus numerous attractions and rides.
