March's Trivia Answer...

The March trivia question was...
How many pieces of scaffolding and staging are being used in each set for the 2010 summer?

The correct answer was 93 pieces. Julie Moore of Lancaster, PA, guessed 99 pieces and will receive a free Reach T-shirt for her guess.

This will be the last trivia question until the September newsletter after the summer.

2010 Big Bird Summer Staff

Without further ado, here are the wonderful staff members that will be

serving this summer in [South Webster, OH](#); [Lockport, NY](#); [Windsor, ME](#); and [Michigan City, IN](#).

Gretchen Smith

Office Manager

Hey, my name is Gretchen and I am the second oldest of seven kids! Needless to say, I always had someone to play with growing up! I was born in NY, spent the first 12 years of life in West Palm Beach, FL, then moved to Knoxville, TN, and now I am a junior at Moody Bible Institute in downtown Chicago. I love traveling, snowboarding, soccer, basically anything in the mountains, hanging out with friends and family, and coffee!!! I am an elementary education major, so after graduation I hope to teach internationally and then begin more focused work on helping street children in the area I am located. However, the first step is figuring out where I should student teach in the spring: Uganda, Egypt, Northern Ireland? Who knows? Hopefully I will have that figured out by the time I meet you, so ask me about it :) One thing I do know is that God is faithful and He will provide!! I am excited for this summer and the opportunity to meet ya'll!!!

Kim Martin

Hospitality Manager

My name is Kim Martin and I am 20 years old. I have a mom and dad who are happily married, a 23 year old brother who has been married for less than a year, and a 17 year old sister. I am an all-around athletic and musical girl! I absolutely love competitive sports, especially softball, and all different genres of music. One thing that is unique about me is that I keep a book of conversation questions in my purse just in case the opportunity presents itself to get to know someone. I am now attending Philadelphia Biblical University, and my major is social work. In the future, I plan to attend graduate school to receive my masters in social work and, Lord willing, participate in ministry

overseas.

Carly Lippart

Program Manager

I have lived with my mom and dad my entire life in Raleigh, North Carolina. I am an only child, and have two crazy dogs. I love working with kids, and being outdoors. I enjoy exercising and hanging out with friends. I love playing lacrosse; I played all throughout high school, and still like to throw around. A unique fact about me is that I can be tickled without being touched. In the future I plan on

finishing up college majoring in Elementary Education at Appalachian State University. I want to become a fourth or fifth grade teacher with a concentration in math and science.

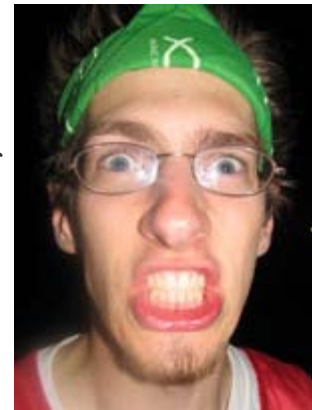

Jessica Kanna
Logistics Manager

My name is Jessica Kanna and I recently graduated from UNC-Chapel Hill and will be going to grad school in the fall for counseling. I'm super pumped for my 3rd summer on staff and 9th year with Reach!! I grew up in Matthews, NC, and have two sisters Lauren (my TWIN!) and Allison. I have the best parents a girl could ask for! When I'm not in class or watching Carolina basketball, I enjoy various hobbies such as collecting Disney movies, playing Sudoku, and singing songs about duct tape. One interesting fact about me is I know all the lyrics to any Backstreet Boys or N'SYNC song! And my most embarrassing Reach moment? I got stuck underneath the stage in Niagara Falls last year because my hair got stuck in the wheels of a mechanic's creeper. But don't worry, thanks to some fabulous fellow staffers, I survived with minimal hair loss.

Jed Bulgrien
Sound Manager

I am 21 and live in Cleona, PA. I'm graduating from Lancaster Bible College this year after studying Bible and Professional Counseling for 4 years. I am the youngest of 5 children with 2 brothers and 2 sisters. I enjoy acting, reading fantasy novels (my favorite is probably the Wheel of Time series), and playing video games from the 90's. I also collect turtles (not live ones) and I still have a large stuffed turtle that I sleep next to. Most of my friends know this story, but when I was 5 years old, I was playing with a little pebble (as 5 year olds do), and I ended up getting it stuck in my ear. Not knowing what my parents would do, I decided not to tell them; so I left it there until I got a physical in fifth grade (5 years later) and the doctor found it. Turns out, my parents weren't angry; they thought it was kind of funny. We made a doctor's appointment and he took it out with a very painful spoon-like instrument (and my hearing is fine). My long term goal is to do missionary counseling on the field. It all seems kind of crazy and way more than I am capable of, but I know that God is good and He is preparing me for everything He has in store.

Matt Haid

Tools Manager

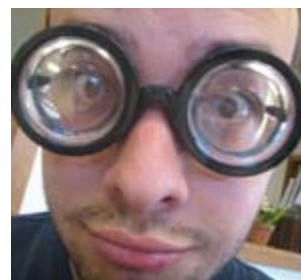

I have one brother, Ben, who is currently in the 8th grade. My dad is Jim Haid and he works as an Outreach Coordinator and my mom is Cheryl Brinker and she is a Music Director. I am very interested in most athletics. I have recently found an interest in soccer but my biggest love is basketball and I'm also the coach of a CYO basketball team. I am also very interested in music and musicals. I have been a part of many musicals and plays and I am currently involved in two different singing ensembles. I also very much enjoy traveling. I have been to Spain, France, and Germany but I would like to travel much more. My future goals are to become a high school American History teacher, while also being the coach of the high school's basketball team.

Ryan Bullock

Materials Manager

Hello there! My birth name is Ryan Lamar Bullock. Yes, Lamar, but you can call me by one of my many nicknames. Pick one: Ry, RB, Bullock, Lamar, Tim, Ryno, Rbizzle, Rysco, or just say hey "you". I answer to many things. I grew up in Stedman, North Carolina. This will be my second summer on Reach Staff and my second summer overall with Reach period. I was sadly never a Reach workcamper. I guess that is an interesting fact. I am a senior at Appalachian State University so by this summer, I will be a graduate of this fine institution with a degree in Special Education. I enjoy long walks on the beach, dancing in the moonlight, and getting caught in the rain. I am very interested in hiking, hammocking, snowboarding, soccer, guitar, and praising my God. As of right now, I plan to work for Reach Workcamps during the summer and then find a job somewhere, somehow.

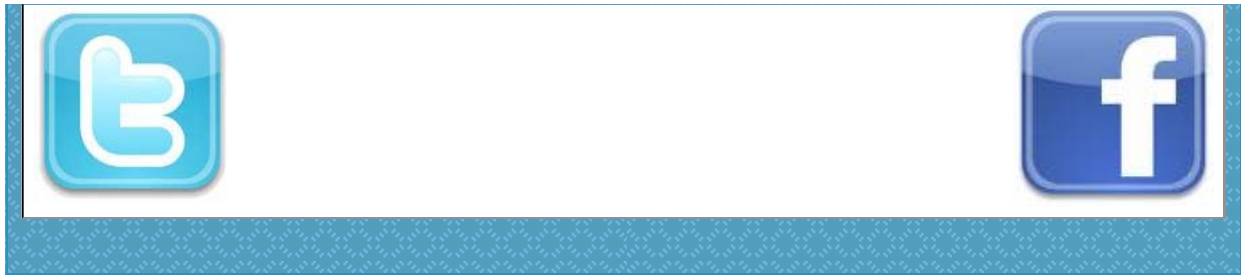

We look forward to serving with all of you this summer at a Reach Workcamp! Please call us at 1-888-REACH-WC (1-888-732-2492) for more information about Reach Workcamps or check us out on the web at <http://www.reachwc.org>.

Blessings,
The Reach Staff
